

Rhythm

Oh yeah

Unhappy man, yes I am

I wanna bag yeah

Make us feel so good

Oh woah woah woah

Bring it down, bring it down

Listen to rhythm of the band, bring the rhythm from your head to your toes
and down to your hands

Listen to rhythm of the band, bring the rhythm from your head to your toes
and down to your hands

Listen to rhythm of the band, bring the rhythm from your head to your toes
and down to your hands

Listen to rhythm of the band, bring the rhythm from your head to your toes
and down to your hands

Ok ready, stop!

You can do it by yourself now

Listen to rhythm of the band, bring the rhythm from your head to your toes
and down to your hands

Listen to rhythm of the band, bring the rhythm on down

We're gonna come and take you for one more ride now

So get ready now

We're gonna take you for one more ride now so fasten your seatbelts hey!

Whoa la da la da da
