

Coffee In Bed
Tom Paxton

(C) (C7) (G) (A7) (D7) (G)

Howd you like your coffee in bed this morning?
Howd you like some sugar in your (D)cup?
Fluff up your pillow, pull up the covers,
Howd you like to never get (G)up?
We can unplug the telephone, honey,
And never turn the radio (C)on.
Howd you like your (C7)coffee in (G)bed this (A7)morning,
(D7) All morning (G)long? (C) (C7) (G) (A7) (D7) (G)

I (D7)dont want to hear the babblin of the radio,
(G)Telling us to rise and greet the dawn.
I (D7)dont want the sunlight peekin round the curtains,
Saying, (A7)Time to get your game face (D)on.
(D7)Wouldnt it be crazy not to (G)feel a little lazy
When Im (C)lyin in the bed with (B7)you?
Its (C)not so surprising that the (G)temperature is (C)rising,
So, (D7)honey, heres what we will (G)do(hold)

Whoa, (G)howd you like your coffee in bed this morning?
Howd you like some sugar in your (D)cup?
Fluff up your pillow, pull up the covers,
Howd you like to never get (G)up?
We can unplug the telephone, honey,
And never turn the radio (C)on.
Howd you like your (C7)coffee in (G)bed this (A7)morning,
(D7) All morning (G)long?

- (Instrumental chorus) -

(D7) Would you like a cup of coffee?
(G) I know you like it hot.
Its the (A7)best in town,
If we drink it all down,
We can (D)(-hold-) always make another pot.

Oh, (G)howd you like your coffee in bed this morning?
Howd you like some sugar in your (D)cup?
Fluff up your pillow, pull up the covers,
Howd you like to never get (G)up?
We can unplug the telephone, honey,
And never turn the radio (C)on.
Howd you like your (C7)coffee in (G)bed this (A7)morning,
(D) All morning, (G) all morning, (D7) all morning (G)long?
