

**COME ALONG HOME**

(Tom Paxton)

Last [G] night I heard a [C] sweet voice [G] callin'.  
Come along, won't you [D7] come along [G] home.  
Wind on the river and the [C] all [G] bawlin'.  
Come along, won't you [D7] come along [G] home.

cho: [G] Come along, won't you [C] come along [G] home now.  
Night is fallin' and the [C] path is [D7] steep.  
[G] Come along, won't you [C] come along [G] home now.  
Water's runnin' and the [D7] river is [G] deep.

Wind goes "Whoosh!" And the trees are sighin'.  
Come along, won't you come along home now.  
Somebody's born and somebody's dyin'.  
Come along, won't you come along home now.

Every night the voice gets bolder.  
Come along, won't you come along home now.  
Song gets sweeter as I grow older.  
Come along, won't you come along home now.
