

Faces and Places
Tom Paxton

(D) (Dj7) (D) (Dj7)

There are (D)places I have (Dj7)been,
(D7)Faces I knew way back when,
I (G)loved them all,
I (A7)loved them in their time.

They are (D)all my yester(Dj7)days,
We (D7)smiled and went our separate ways.
We (G)all said, "ciao",
Of (A7)course I miss them now.

Oh, (D)faces and (Dj7)places,
(D7) They all left indelible traces
(G)On my soul,
Wher(A7)ever it's going.
(D)Faces and (Dj7)places
(D7) Spun my soul in gossamer laces,
(G)God knows how
I (A7)miss them now. (D) (Dj7) (D) (Dj7)

Oh, I (D)know the past is (Dj7)past.
And the (D7)changes come so very fast,
You (G)blink your eye,
A(A7)nother day goes by.

But your (D)memory won't let (Dj7)go,
And (D7)every day the feelings grow,
You (G)think you're strong,
And (A7)then you hear one song.

And (D)faces and (Dj7)places,
(D7) They all left indelible traces
(G)On my soul,
Wher(A7)ever it's going.
(D)Faces and (Dj7)places
(D7) Spun my soul in gossamer laces,
(G)God knows how
I (A7)miss them now.

Oh, (D)faces and (Dj7)places,
(D7) They all left indelible traces
(G)On my soul,
Wher(A7)ever it's going.

(D)Faces and (Dj7)places
(D7) Spun my soul in gossamer laces,
(G)God knows how
I (A7)miss them now. (D) (Dj7) (D) (Dj7)
