

Gentle My Love  
Words and Music by Tom Paxton

Gentle my love, come down,  
Gentle my love, to me,  
Lovely, my love, the sound,  
The sound of your name can be.

Precious my love, sing low  
Precious my love, your song.  
Gentle my love, you know,  
You know where our heart's belong.

Gentle my love, you know,  
You see how our love can grow.  
Gentle my love and how  
Nothing can stop us now.

Gentle my love, be still,  
Listen, my love to me,  
Precious my love, we will,  
Lovely my love, be free.

Gentle my love, you know,  
You see how our love can grow.  
Gentle my love and how  
Nothing can stop us now.

Gentle my love, come down,  
Gentle my love, to me,  
Lovely, my love, the sound,  
The sound of your name can be.
