

Who's Been Passing Dreams Around
Tom Paxton

Capo 3rd fret

- Instrumental verse -

(G) Billy chased the (C)diamonds in a (G)mountain stream, (C)(G)
Shivered through the (D)nights beside the (G)fire, (C)(G)
(C)Spent his life in chasing after (G)just a dream, (C)(G)
Died proclaiming (D7)hope was never (G)higher. (C)(G)

And Cynthia chased (C)heaven on her (G)dancing toes, (C)(G)
Dreaming swans, ba(D)tons and bright bou(G)quets. (C)(G)
(C)Now she does the cleaning in her (G)dancing clothes, (C)(G)
Now the old vic(D7)trola seldom (G)plays. (C)(G)

Oh, (C)who's passing dreams around this (G)morning bright and early?
(D) Might be better if he stayed in (G)bed. (C)(G)
(C)Maybe he ought to let us be, find (G) something else to do,
(D7) God help me, I've been dreaming, (G)too. (C)(G)

- Instrumental verse -

Leroy, he liked (C)racing, he was (G)doing well, (C)(G)
Those who know say (D)he was rising (G)fast. (C)(G)
(C)Lost control, you know his car flew (G)all to hell, (C)(G)
Now he's down on the (D7)corner, pumping (G)gas. (C)(G)

Oh, (C)who's passing dreams around this (G)morning bright and early?
(D) Might be better if he stayed in (G)bed. (C)(G)
(C)Maybe he ought to let us be, find (G)something else to do,
Because, (D7) God help me, I've been dreaming, (G)too. (C)(G)

Yes, (C)who's passing dreams around this (G)morning bright and early?
(D) Might be better if he stayed in (G)bed. (C)(G)
(C)Maybe he ought to let us be, find (G) something else to do,
Because, (D7) God help me, I've been dreaming, (G)too, (C)(G)
(D7) God help me, I've been dreaming, (G)too. (C)(G)
