Stars shining bright above you

Night breezes seem to whisper "I love you"

Birds singing in the sycamore tree

Dream a little dream of me

Say "Night-ie night" and kiss me

Just hold me tight and tell me you'll miss me

While I'm alone and blue as can be

Dream a little dream of me

Stars fading but I linger on, dear

Still craving your kiss

I'm longing to linger till dawn, dear

Just saying this

Sweet dreams till sunbeams find you

Sweet dreams that leave all worries behind you

But in your dreams whatever they be

Dream a little dream of me
