## FULL MOON AND EMPTY ARMS

Frank Sinatra

Full moon and empty arms  
The moon is there for us to share  
But where are you?  
A night like this could weave a memory  
And every kiss could start a dream for two  
Full moon and empty arms  
Tonight I'll use the magic moon to wish upon  
And next full moon if my one wish comes true  
My empty arms will be filled with you
