JUNE IN JANUARY

Bing Crosby

(Robin, Rainger)

A clouded moon creeps across the clouded sky

Winds of January sigh and moan

And yet it's June.

I can see a sky of blue

Dear the miracle is due to you.

Just you.

It's June in January

Because I'm in love

It always is spring in my heart

with you in my arms.

The snow is just white blossoms

that fall from above.

And here is the reason, my dear,

Your magical charms.

The night is cold

The trees are bare

But I can feel the scent of roses in the air.

It's June in January

Because I'm in love.

But only because I'm in love with you.

Oh the night is cold!

Won't it be to bear?

But I can feel the scent of roses in the air.

It's June in January

Because I'm in love

But only because I'm in love with you.
