Long Ago (and Far Away)
Helen Forrest and Dick Haymes

[Her]

Long ago and far away
I dreamed a dream one day
And now that dream is here beside me

Long the skies were overcast
But now the clouds have passed
You're here at last

Chills run up and down my spine
Aladdin's lamp is mine
The dream I dreamed was not denied me

Just one look and then I knew
That all I longed for long ago was you

[Him]

Long ago and far away
I dreamed a dream one day
And now that dream is here beside me

Long the skies were overcast
But now the clouds have passed
You're here at last

Chills run up and down my spine
Aladdin's lamp is mine
The dream I dreamed was not denied me

Just one look and then I knew
That all I longed for long ago was you

[Her]

Just one look and then I knew

[Him, with her humming along]

That all I longed for long ago

[Both)]

Was you
