The Night is Young and You're So Beautiful

Jan Garber

Words by Billy Rose and Irving Kahal;

music by Dana Seusse.

The night is young and you're so beautiful,

Here among the shadows beautiful lady,

Open your heart.

The scene is set, the breezes sing of it;

Can't you get into the swing of it, lady.

When do we start?

When the lady is kissable and the ev'ning is cool,

Any dream is permissible in the heart of a fool.

The moon is high and you're so glamorous,

And if I seem overamorous, lady

What can I do?

The night is young and I'm in love with you!
