Paris In The Spring  
Ray Noble  
(Gordon-Revel)  
"Paris in Spring"

Paris In The Spring, Mm---Mm---  
Love is in the air, Mm---Mm---  
Life's a love affair  
And ev'ry pair of arms a rendesvous for two.

Paris In The Spring, Mm---Mm---  
Hearts begin to dance, Mm---Mm---  
And in ev'ry glance you'll find  
An invitation to romance.

You must fall.  
You simply can't evade love.  
The moon is there to aid love  
Find someone you can call you own.

You're to blame if you're alone Mm---  
It's grand, it's new, Mm---  
It's me, it's you  
Ev'ry beating heart becomes a part of  
Paris In The Spring.
