SAYS MY HEART
Red Norvo

"Fall in love, fall in love" says my heart,
"It's romance, take a chance" says my heart.
But each time that I'm almost in your arms
This old school-teacher brain of mine
Keeps ringing in false alarms.
Then my head rules instead and I'm wise
To the schemes of that gleam in your eyes
so I kiss and run
But the moment we're apart
"Oh! You fool that was love!"
Says my heart
