SCRUB ME MAMA, WITH A BOOGIE BEAT

Will Bradley

In Harlem there's a little place where everyone goes  
To see the way a washer woman washes her clothes  
If you like Boogie Woogie rhythm, she's got a beat  
Let the Boogie Woogie washer woman give you a treat.

On every afternoon at one the sessions begin  
And all the boys from all the bands come down and sit in  
They sit around and knock each other out when they play  
While the Boogie Woogie washer woman washes all day

Rub diddle ub dub, that's just the way she rubs  
Rub diddle ub dub, that's just the way she scrubs  
Rub diddle ub dub, she wears out all her tubs  
She rubs and rubs her knuckles right on down to the nubs

Rub diddle ub dub, that's how she kicks it off  
Rub diddle ub dub, she keeps it nice and soft  
Rub diddle ub dub, till someone hollers  
"Aw, scrub me maman, with a Boogie beat!"

You really ought to visit there is you've never been  
It doesn't cost a penny, just come down and walk in,  
If you like Boogie Woogie rhythm you'll get a treat,  
Let the Boogie Woogie washer woman give you the beat.
