Somewhere In The Night

Frank Sinatra

Music and Lyrics by Billy May and Milton Raskin

Somewhere in the night

Chasing shadows around the bend,

Somewhere in the night

Chasing rainbows that have no end.

In the misty light

You are mine and you hold me fast,

But dreams have a way of calling it a day

They seldom last, my dreams have passed.

But in my lonely flight

I'll keep searching till time is through,

Just somewhere in the night

Till I Find you.
