THERE'S A GOLDMINE IN THE SKY

Horace Heidt

There's a gold mine in the sky far away
We will find it, you and I some sweet day
There'll be clover just for you down the line
Where the skies are always blue, pal of mine
Take your time, ole mule
I know you're growing lame
But you'll pasture in the stars,
When we strike that claim
And we'll set up there and watch
The world roll by
When we find that long lost gold mine
In the sky ,far away, far away we will find that
Long lost gold mine some sweet day
And we'll say hello to friends who said goodbye
When we find that long lost gold mine
In the sky, far away, far away
