## THERE'S HONEY ON THE MOON TONIGHT

Vincent Lopez

There's honey on the moon tonight,  
It's a sin if we waste it.  
Come along and let's taste it  
Had it ordered for you.  
There's honey on the moon tonight,  
Though a little off season  
It is there for a reason  
For a dream to come true.  
We don't need a boat, motor car or bus,  
Just any old bench in any old park  
Is made to order for us.  
There's honey on the moon tonight,  
And I'm out to enjoy it  
What a night to enjoy it  
With honey like you
