TONIGHT WE LOVE

Freddy Martin

words by Bobby Worth,

music adapted by Ray Austin and Freddy Martin

from Tchaikovsky's Piano Concerto in B-Flat Minor

Tonight we love while the moon
Beams down in dream light tonight
We touch the stars
Love is ours
Night winds that sigh
Embrace the sky
Tonight we love in the glow
That glows so softly I know
This wasn't meant to borrow but tomorrow
Will it be gone
Or will it always live on
Tonight we love
