TWO HEARTS THAT PASS IN THE NIGHT

Sammy Kaye

Two hearts that pass in the night
In the magical light of the moon,
Knowing how soon night is gone,
Two hearts that join in a glance
And discover romances are made
Only to fade with the dawn.

So for an hour you were mine,
And my heart was aglow
With a power beyond divining
Two hearts have tasted delight
Must they always be lonely, alas,
Two hearts that pass in the night?
