When Your Hair Has Turned to Silver

Frank Luther and Carson Robian

Words by Charles Tobias; music by Peter DeRose.

Here is my heart with all my love

They both belong to you;

Year after year I'll love you dear.

No matter what we go through.

(chorus)

When your hair has turned to silver,

I will love you just the same;

I will only call you sweetheart,

That will always be your name.

Through a garden filled with roses

Down the sunset trail we'll stray.

When your hair has turned to silver

I will love you as today.

Always it seems I've built my dreams

All bound around you dear;

And I'll confess my happiness

Means having you always near.

(repeat chorus)
