## WHISPERS IN THE DARK

Bob Crosby

Whispers in the dark  
Two shadows in the night  
So gentle and so tender that every little word  
Is like a song of sweet delight  
Whispers in the dark  
How heavenly they seem  
When lips and arms surrender and ev'ry little kiss  
Is like a dream within a dream  
But soon the breezes whisper to the trees  
That dawn is near,  
So soon their little paradise of love will disappear  
Whispers in the dark  
While stars are in the blue  
Upon a night like this perhaps I'll hear  
A little whisper in the dark from you
