

A Perfect Day
Carrie Jacobs 1910

When you come to the end of a Perfect Day
And you sit alone with your thought
While the chimes ring out with a carol gay
For the joy that the day has brought.
Do you think what the end of a Perfect Day
Can mean to tired heart
When the sun goes down with a flaming ray
And the dear hearts have to part?

When you come to the end of a perfect day,
And you sit alone with your thought,
While the chimes ring out with a carol gay,
For the joy that the day has brought,
Do you think what the end of a perfect day
Can mean to tired heart,
When the sun goes down with a flaming ray,
And the dear hearts have to part?

Well, this is the end of a perfect day,
Near the end of a journey, too,
But it leaves a thought that is big and strong,
With a wish that is kind and true.
For mem'ry has painted this perfect day
With colors that never fade,
And we find at the end of a perfect day,
The soul of a friend we've made.
