Green Green, It's Green They Say

Green Green, It's Green They Say

Green, green, it's green , they say
On the far side of the hill
Green, green, I'm going away
To where the grass is greener still

Well I told my Momma on the day I was born
Don't you cry when you see I'm gone
You know there ain't no woman gonna settle me down
I just got to keep traveling on

There ain't no woman in this whole wide world
Gonna tell me how to spend my time
I'm just a good loving rambling man
Singing, buddy, can you spare me a dime

I don't care when the sun goes down
Where I lay my weary head
Green, green valley or rocky road
It's there I'm gonna lay my head
